

A photograph of two men in professional attire standing in an office setting. The man on the left is wearing a grey checkered suit and a red and white striped tie. The man on the right is wearing a dark blue suit and a blue and white striped tie. They are both smiling and looking towards the camera. A window with a view of greenery is visible behind them.

THE FACES OF  
RECONSTRUCTION

**Mark Walsh, M.D., F.A.C.S** is a board certified plastic surgeon specializing in cosmetic surgery and reconstructive surgery of the face, breast and body. Previously on faculty at Emory University for 11 years, he authored multiple books and journal articles. He has also received special recognition for both patient care and teaching.

**Andrew Bonett, M.D.**, specializes in cosmetic and reconstructive surgery with a special interest in reconstruction after skin and breast cancers. During his time at Rush University in Chicago, Dr. Bonett worked with multiple university programs as administrative chief fellow to develop their curriculum and institute a new integrated residency program.
